

Will our legacy for the Gorge be "Vegas with a view?"

A proposal for a Gorge casino complex the size of **60 Portland city blocks** could destroy our national treasure.

Two-thirds of Oregonians agree that an off-reservation casino does not belong in the Gorge.

An on-reservation casino would bring revenue and much-needed jobs for tribal members.

Unless YOU speak today, the Gorge will face:

- Massive development
- More cars
- More pollution

Speak out on Monday night in Cascade Locks or Thursday night in Portland.
